2. Chairman's Annual Report	
The 12 months just gone have been dramatic and challenging. PC	
activities were outlined in the newsletter distributed at the start of	
the year. It has been a period of higher-than-normal development	
applications, worries over heavy rains causing flooding and of course	
COVID19. We are meeting in the Hall today because government has	
declined to extend the emergency legislation which allowed us to	
operate on Zoom. So, meetings will now be held in public in the Hall.	
PC will continue to use Zoom for informal discussion.	
The work of our Clerk Wendy has been professional and I would like	
to record our thanks for her services. During the emergency she	
worked extra hours without asking for payment and I will be asking	
the PC to correct that later.	
I would also like to thank all of our Councillors for the excellent	
support they have given to the arish and to me and for going the	
extra mile with parish problems and issues. I hope that this will	
continue for the next year.	
We might be a small parish in a rural county, but your PC has worked	
to meet and sometimes go beyond its duties and responsibilities. If	
anyone did not get all their hopes and wishes met, I can also say that	
no one was ignored.	
3. Parishioners are invited to discuss parish matters and highlight any particular areas of note or concern	
A member of the public raised concern about the road behind the	
Village Hall (Hall Lane, Aisby). It was reported that there were a	
number of potholes and that the road was unsafe. The road has not	
been resurfaced for approx. 17 years and is in need of maintenance.	
There was some discussion about if the road was adopted and the	
Clerk agreed to investigate with LCC Highways.	
The matter of speeding and any deterrents was discussed and	
suggestions made regarding speed bumps and painting of SLOW on	Agenda item for July
roads.	2021
Cllr Peace reported that speed limits rely on Highways but that we do	
have some 30mph stickers left if anyone would like some. Cllr Peace	
requested that this item be placed on the Agenda for the July	
meeting of the Parish Council.	

	A member of the public raised concerns and disappointment about the drainage situation at the bottom of Green Lane. (Stoneycroft) This was discussed at a Parish Council meeting on 8 <sup>th</sup> December 2020 Cllr Hill stated at that meeting that LCC Highways would visit. Cllr Peace suggested that this be raised directly with Cllr Hill (LCC) It was noted that there were people on site the previous week. Cllr Peace requested that this be on the Agenda for July Parish Council meeting.	Agenda item for July 2021
